

WAIARAPA A&P SOCIETY NEWSLETTER

WE NEED YOUR EMAIL!!!

If you have received this Newsletter by 'snail mail' and you have an email address can you please email us at office@waiaps.org.nz so we have your email address moving forward.

We are very conscious that the cost of postage keeps increasing and sending Newsletters and information out by email is more environmentally friendly. We are also looking into the possibility of emailing show tickets out this year so please send through your email address so we have this on file.

Your email address will be held by Wairarapa A&P and only used for the purpose of sending out information and events that the A&P are involved with. It is the most effective way for us to send this information out so please do send us through your email addresses so we can update our database.

LIFESTYLE AUCTION AND CARBOOT SALE

It's that time of year again to have a spring clean and turn your unwanted items into \$\$ \$cash\$\$\$.

Our annual Lifestyle Auction is happening on the 6th of April here are the Clareville Showgrounds at 10.00am. There is also going to be a carboot sale for all small household items.

We are accepting items on the Thursday and Friday prior to the Auction, or if you choose to hold a carboot sale you can turn up Saturday morning at 8.00am. The cost to hold a carboot sale is \$10 per car boot. Livestock will be accepted on the Saturday morning (no cattle sorry).

Last year's auction was a great success with a huge variety of items. Everything from a tractor to an electric frying pan. You would be amazed at the items sold, so its now time clean out the kitchen cupboards, back shed, garage and barn!

I have attached information on the auction and a sellers list. Please get your list in early as some items will be advertised in the Times Age and on Facebook leading up to the Auction.

Any queries please contact Leonie or Catherine in the office –

Phone 06 3798124 or email office@waiaps.org.nz

BAKING FOR AUCTION DAY

We will also have our cake stall/preserve table at the auction on the 6th of April with lot of amazing items for sale, if you can bake a cake or bring any preserves or vegetables etc it would be very much appreciated. This is a great little fundraiser for the A&P and all help and donations are needed to make this a success.

THIS YEARS A&P SHOW

This year will be our 142nd Annual A&P Show, the dates for this year's show are the 1st, 2nd and 3rd of November 2019. Please mark these dates down on your calendar as we have another great show lined up for you. There will be plenty of entertainment for all ages – trust me, this year's show will not disappoint you. The entertainment is nearly all confirmed and we will let you know more closely to show time.

There will be a great variety of trade stands and the school art section keeps growing every year. Our home industry schedule for the show will be ready to send out shortly so you have plenty of time to perfect your baking and preserves – again please email us your email address so this can be sent out to you.

Kuranui College students will be on site again entertaining us and helping out on the grounds and gates. Last year it was great to see our younger generation becoming involved in the A&P and their help is invaluable to the running of the show.

We are also very fortunate to have TFM Tractors being our major sponsor again this year, John Tulloch and his team have supported our show for several years now and thanks to their sponsorship our show keeps growing each year.

142nd A&P Show

1st, 2nd, and 3rd November 2019

DO YOU WANT TO BE A VOLUNTEER/HELP THE A&P?

Wairarapa A&P is a local charity and we are fortunate enough to have these beautiful grounds available for the community to use. To be able to keep the grounds and buildings 'ship shape' we need to raise funds through our Annual A&P Show and also other fundraising events during the year. We also need help at times on the grounds for maintenance of yards, sheds and fencing projects. Administration help over show time and leading up to show or any other projects that we have on the go. Selling raffle tickets, baking for cake stalls, helping split wood – you name it, we need help with it!

Here are some great reasons to volunteer at the A&P -

- Make a difference
- Connect with your Community
- Feel involved
- Contribute to a cause that you care about
- Use your skills in a product way
- Develop new skills
- Meet new people
- Explore new areas of interest
- Make new friends
